

And keep you

Give that girl a hug and tell her to get better

Okay I will, sure will

Okay

Thank you for using Evercom, good bye.

CALL #3

Hello this is a collect call from

An inmate at the Butte Silver Bow County Jail. This call is subject to recording and monitoring. To accept charges press 1, to refuse, thank you for using Evercom. You may start the conversation now.

Hi

Hi Honey

How are you?

Fine. I'm out talking with, um, Naomi, having a smoke

Outside

And, and we were just talking about you

Oh

She was, she was glad I got a good letter from you

Oh, yeah.

Yeah

I got your good letter too.

Good

And they gave me, they gave me that check to sign. I guess they're gonna put it in my account, so

21-1787-08

How much was that?

It was forty

Oh good

So, yeah, so

Something, huh. Anyways

Yeah

She also said when she, when I knew it was you calling, she said tell him I love him, will you.

Oh

You know

Thank you, thank you, first

Yeah

Real smile I've had all day, for real. Ah, hey I got a couple things I want to talk to you about real quick. Um can come up here, that's not a con, tell, I mean if he's just flipping about it, don't, but I'd love to see him before I go, and you too.

How, how do you know he'd be okay

He'd be okay. If you had his name ran here in this state, it's not gonna matter, guarantee it.

Okay

It's the same thing. It's exact same thing and somebody else has had that, in this where I'm at right now

Okay

You know this same situation

Okay

And he said no problem, um, on that. Anyways, ah, do you want me to call this Callahan lady and ask her now to be calling you.

21-1787-08

No, thank you

I do have her number to do that with.

No. I'm fine. Thank you though.

Well

I wondered if that would bother you. I wonder if that would bother you, but I was, you know, it was

In a way it does, but, in a way it does Karen

It was on my machine. I would not have talked to her personally. You know I have that

Okay, well I can stop that

I have that choice.

Well

You know what I mean. So, no thank you, though

I (unclear) Okay

Yeah

Okay

No

Cause maybe

You know, who knows what she, who knows what she was talking about with that, you know

Uh huh, okay

But in terms of options

I just want to tell you, I just want to tell you sister, you are, just you being you, you hear me, (unclear) support

No, what'd you say

21-1787-08

The support

Yeah, okay

And, and just staying in contact once in a while, write letters, whatever we can do, whatever we can do

Yeah

And I don't know that's some, this is one thing that's really got me not concerned, I told you about the thing about protection and all that, but

Yeah

The, the thing about that would be in prison, actually would be in both places, prison or jail, cause I have no idea where they're going to house me at

Uh huh

Okay. I am going, definite.

Yeah

I talked to _____ yesterday and I'm having a hearing tomorrow here at the jail with him about the violations that they're sending me back on. They're not sending me back on a warrant out of Michigan for any criminal things, it's for these violations. You understand what I'm saying

Oh really

Oh yeah

Uh huh

Yeah, this is just a, oh Michigan Department of Corrections wants me back for these, as a matter of fact they're using the marijuana one and I said wait a minute they, they dropped them charges, they, they

Uh huh

Released me from, so it's a bunch of malarkey, so I am making go through a little hearing here at the jail and I know I'm being found guilty

Uh huh

And I know they're gonna send me back anyways

Yeah

But I'm gonna do it for the paper trail reasons of later on, you know what I'm saying

Yeah

And that's, you know, really where I'm at right now. But the hearing will be tomorrow afternoon, or tomorrow morning at like 9:30 and if, if I'm able to I'll get a letter out right away to you to let you know what the outcome was with that. I did order a couple stamps

Okay

I will be ordering, getting some stamps tomorrow, so I'll do that

Okay

So you know

So we already knew that. had called your PO yesterday, so we already knew there was this hearing coming tomorrow.

Uh huh

The question, the question really is how much longer will you be in the state.

Exactly, and I don't think very long -- He mentioned a jet ride

Yeah

Okay, he, when he came up yesterday, when I talked to him real quickly, he got really huffy with me, really huffy

Okay

About this ten minute thing and everything else and I kinda got huffy back with him.

Uh huh

And then I read these violations and they're giving, they're violating me for not finding a job, I says

Okay

How could I have found a job

Yeah, yeah

You know

Yeah

The up and down the hill thing and

Yeah

Everything else

Yeah

So I'm contesting that one and I'm also contesting that they're saying I did not complete the EST Program, which is the one that I dropped and did the breathalyzer every single day that I was here in Butte

Yes, yes

And I never got a dirty. So

Yeah

They're saying that because I didn't complete it they are violating me

Yeah

For it

Yeah

And I'm like wait a minute, I know Michigan wouldn't go for that, they wouldn't

No

It's not about that, it's about whether you got a dirty or not. So anyways

Yeah

Um, I'm just making his, when, when that conversation got, all kind of going on

that

Yeah

He was like what do you mean, I can make you, I can make your trip back to Michigan be one town to the next town to the next town, but then he brought up this jet thing and you know what the jet thing is, right, that's federal

No, oh okay

That's a federal thing, that's

Okay

They're the only ones that transport inmates by air

Okay

It's called Com-Air and

So how, how can they do that without a charge

I'm thinking that the Feds are gonna step in and say we want him back here now.

Yeah

I don't know that. I don't know. I'm assuming

Yeah, yeah

Because he's the one that brought it up, I didn't.

Yeah

You know

So, anyways

I'm saying if they do take me, I'm thinking probably mid next week at the latest

Okay

I don't know that though

Yeah, exactly, yeah

Have, have give me one too

21-1787-08

Is ... on your list

He, I don't need a list, but I, I'm gonna put you guys both down to see me and Friday's the next day. The only two days you can see me is Wednesdays and Fridays

And Friday, yeah

Yeah

And you have to have an appointment, uh huh

It's 10:30 to, ah, 12 and then from 1:30 in the afternoon until 3. And I have to write down or 3:30, excuse me, and I don't think it's for the full time. I don't think, you know, I don't know how they do that, but anyways do you want me to put you, both of you down for Friday or should I wait till next Wednesday. And that's if you guys can make it, if you can't, you can't. I understand.

Right

I don't

Um

Or not at all I mean if you don't

Well just put it on there, it doesn't hurt and then again next week if you're there,
you know

Okay, but do you want me to do it for the afternoon one or the morning, cause they keep asking that specifically, 10:30 or

You know what that's hard, that's hard to say, because the lady told me you'll have to make an appointment and she didn't tell me, you know, what time

I know

That there were specific times to do it

Yeah, there is, 10:30

She told me there'd be a one hour visit allowed

Okay, so it's either 10:30 to 12

To noon

21-1787-08

Or 1:30 to

1:30 to 3:30

3:30. I would, what would be best for you guys. I mean I don't know that

Well probably morning if, if I can come it'd be morning

It at all, okay, okay

Yeah

That's what I'll do then, just, you know

And I would say the same for Paul

I will, I will. And I was hoping maybe you guys would come together, you know

Uh huh

That would be so good, I mean, you know, it'd be

Yeah

You know (unclear)

Well Paul is really with you Vince

I hope so

You know, well he is

He knows, he knows

Yeah

He knows

Yeah

And, you know

Yeah

He knows and he also knows if you know what I'm saying

21-1787-08

Yeah

So, you know, it's like

Yeah

And I love him and you know

Yeah, it's like, you know, it's definitely there is what I mean to say

Cool, cool

Yeah.

Cause I just wrote you a letter not five minutes before I got on this phone, things about Paul and me in the past, just, you know, him not being reliable and saying he's right and he'd never be and blah, blah, blah

Yeah

You know and, and just a lot of different things, but I think he knows this is a different situation here, so

Yeah

As far as

I know he wants to come and he's just been so nervous about it

Well

You know

I was told, and told, and told by one person and only one person he has nothing to worry about, especially if he's been, you know, ticketed and so forth, so

Uh huh

Anyway, um, I love you guys, give Naomi a huge hug

I love you

Give a huge hug. Ah, will you be able to send me and them guys

address

I did, I did in today's mail

21-1787-08

Oh, I didn't know I didn't get it

Oh, not ... , I didn't send Steve's. I sent

Okay, I didn't know about

Yeah

Anybody else or whatever

But I saw this morning. He's asking about you. He's praying for you.

Thank you

You know and just, just lovin' on you

Okay, thank you. Thank you.

You know, yeah

Yeah

And I will, eventually, when I get, when you get somewhere I will send pictures that he's e-mailed me, okay if you'd like

Yeah, if I can have, if I'm in the jail I don't know what, you know what

What you can have

I know it's Oakland County so it's different than

Okay and I know it'll, if you're in protective custody it'll be a while before you can phone

Phone

But you will be able to get mail

And stamps too, yeah I can automatically get mail, but I don't know about stamps and stuff or how long

Yeah

It takes me to get them

21-1787-08

Yeah

Where I'm at or whatever

Yeah

Or will they let me take the ones I have here with me, I don't know.

Yeah

A lot of if, but

Yeah

Anyways hey

Okay

Love you sis

Good to be

I'm praying, I'm praying

It's

Oh, hey, this is

I'm doing so much better

(Laugh)

What

I am

I can tell. I can tell.

I've got a bunkee, I've got a bunkee that's a complete jerk, it's like thank you

Lord

Yeah, yeah

Thank you. (Unclear) just perfect you know

Yeah

21-1787-08

I'm wondering, you know what I'm saying Sis

Yeah

I was tempted to put myself in seg, I mean tell 'em look don't put me in with anybody, you know

Yeah

Just for the I don't wanna be around anybody thing, which I could do, I could do it right now

Yeah

And it's not, you know, it's not considered suicide watch or anything, it's just, you-know, don't wanna be around anybody

Yeah

I thought, no, you know, I wanna be able to get out and watch a show on TV if I wanted to, which I haven't, but, you know that type of thing, but anyways

Any windows

Um, I got, yeah, ah, I'm on an upstairs level and I can look out and you know I was in a room that I could actually look out my window,

Yeah

From my room and see the lady light

Oh

Up on the roof

Oh cool

But they moved me to a different cell

Oh I know that meant, I know that meant

They moved me to a different cell and now I'm facing the same ridge, but I can't see her, herself at night

Yeah

21-1787-08

You know it's the same ridge though

Yeah. I can't imagine any more calls

Okay

But if there were calls it would go on my machine because I can see immediately where it's from

Yeah, okay

You know

Yeah

So

I just don't want them bothering you or pestering you and you know I mean I don't want to get you involved. I'm telling you, stay out of it. Stay out of it. I do want to help me out and that's one of the things I want to talk to him about, if it's necessary in the future.

Yeah

You know, like

Yeah, well you talk to him about it

I want him to look at, I would like to have him before I go if it's possible, or right, right after I leave to actually get me a list of public defenders and lawyers and there's one in particular I'd like him to look up and see if he can get me his number and his name, I don't want, just tell him I may, I would like to talk to him about that, okay

Okay

Because I mean, this lawyer I believe, if, I'm pretty sure he's very

What's his name? What's his name?

Jeffrey Feiger and he's very famous He's huge in Michigan, huge, he's the one, he's

And what's his last name

Feiger

21-1787-08

Last name, how do you spell it

Jeffrey, I don't F I G E R

How do you say it?

Feiger, Feiger

F I

F, yeah F I G E R or something like that

Something like that

He's the one that defended Dr. Kavorkian and he, he's no

Okay

And he's for no gains. and I believe if it's a high profile enough case, he
may take it pro bono

Yeah

Cause that's what he's all about

He's a Michigan Public Defender

Oh, I don't know about public, he's private definitely

Okay

Oh he's a five thousand dollar an hour lawyer, every bit of it

Okay

But, like I said, if it's a big deal he would

He might

He might take it just for that reason, and, and he may refer me to

Yeah

But anyways that, that's something I'd like, that kind of stuff, maybe in the
future I could use him to check into something like that, but

21-1787-08

Okay. Well I'll mention that to him honey, okay

Yeah, you know that's the type of help. I love you.

I love you

(Laugh)

I love you

I know

And I think it's so awesome that you've been here, you know

Oh, me to, me to

Yeah

And I'll be back, how about that

Yep

Not on parole though

You've been, you've been sitting

Yeah

Out there for years dreaming and you got, you got some taste of it, you could've been sitting there all this time

Yes I know

And I just thank God that you did get out

Yep

That you had some time to refreshing

(Unclear) and I

Yeah

Had a bonfire with the sister

21-1787-08

That bonfire, yeah

You know, you know

Yeah

And we'll have more in the future kiddo, you hear me. How? real quick

I believe it

How's

Oh, she's gone to work for two days to e-mail me back, no worries, she said, you know.

(Unclear)

So she's not going on the trip, she's not going on the trip. She decided not to do Florida

Uh huh

You know didn't want to be that far from doctors, so

Okay

So, yeah, yeah. So she, sounds like she's doing good. You know hasn't checked into any more of the genetic stuff

Right

She's trying to figure out how she can get coverage for that. I guess it's quite expensive, but anyway, yeah

Yeah

So no other real family news

Okay

You know, new, news

Right, right

Yeah

21-1787-08

Give everybody hugs for me

I will

(Unclear)

I will

I'm gonna, I'm writing you a letter right now as I speak

You have one minute left

I'll get it out in the morning

Okay I just sent a quick one off to you today, okay

Okay, okay. I'm gonna write too as soon as I can

Okay, so let us

(Unclear)

Yeah, let us know as soon as you know, if you can, when you're leaving

I don't think they'll let me know prior to that but I'll, you know, if they do, they do and I will, of course

Okay

I'll put you down for the visit thing for Friday and then Wednesday if I'm not gone yet, okay

Okay

(Unclear)

Alright

Love you

Love you

Okay

Okay

21-1787-08

Bye

Bye bye

The call
