I think the kid from Birmingham. I wanted to know, cause he was in the paper and I think it was still hot and heavy

Williams: Okay, so you didn't just say some of the kids and he took you to the Birmingham's

Yeah, right, no

Williams: You mentioned Birmingham

I mentioned it

Williams: You're sure

Yeah, I'm pretty sure

Williams: Okay

Gray: Now if you guys are up at (unclear) or whatever do you remember Chris being much of a, a, did you guys ever go target shooting or skeet shooting

No

Gray: Rifles, shot guns. Did you ever know of Chris of doing any shot gun shooting or having a shot gun

Em em

Gray: The family, I don't think the family had any (unclear)

Williams: Yeah, did you ever see this picture

Oh mentioned something like that. Um, I, I, looks kind of familiar. I might've seen it before.

Williams: Where, where did you see it?

Um, that's the picture Chris drew, right

Williams: We don't know

Oh you don't know

Williams: Do you think Chris drew that

21-1787-08

I don't knows I don't know if the was that good

Williams: I'm guessing ... told you that

Yeah. Yeah he said he, yeah, that's pretty disturbing

Williams: It is. Um, what do you think about that picture?

The kid's in pain

Williams: Uh huh

Gray: Yep

Williams: But you've never, did you ever, did you ever see this picture at Chris' house?

Not that I can remember

Williams: Okay, alright.

Gray: show cause What was, um, your, your brother's over in (unclear) what was that for, you said a

Show cause, yeah

Gray: What did he fail to show up for something

Um, no he failed to pay some fines

Gray: Oh, okay. Nothing he's gonna be thrown in the slammer for

No I don't think so

Williams: Do you recognize this closet here

Um, there's Chris

Williams: Yeah, yeah

And, um, yeah is that the closet up in Birmingham

Williams: Uh huh. Is that right off his room

Yes

Williams: Okay. Do you remember what was back here in this, behind this door

21-1787-08

No I don't

Williams: Okay

Just a little storage area I think

Williams: Okay. Did he used to wear, those his, did he used to wear those boots all the time

I think so

Williams: Yeah. You never saw these before, these ropes

Em em

Gray: Did, did Chris ever show you guys pornography or

No

Gray: You know when he would molest you and that

No

Gray: And it was never violent where he was doing something where as you may have been hurt because he wasn't thinking about it.

No

Williams: Is there anything other than what you told us about pointing that spot out that

Afraid not. I don't know of anything else I can help you with

Williams: That would lead you to believe he was involved in something like that

No, that's something that, that sugared my curiosity back then. That's the only thing I can remember (unclear)

sure got

Williams: Did you ever see him with any girls

No

Williams: Okay. Was, ah, did you ever know) be down around Chris' house

No

Williams: No

21-1787-08

Gray: Never, never saw him in the Detroit area or

No. One time we were all up at the cottage together, I remember

Gray: Where was from, do you remember

Flint

Gray: Oh he was

Uh huh

Gray: You ever see, ah, ah, Greg down near the Detroit area with, with Chris

No

Gray: Wasn't there a time, I though there was a time that he was at the house when you were there at one time

What, Greg Green, no. No I only remember Greg Green one time

Gray: Oh, okay and that was at the drive-in

Yep

Gray: Was the drive-in, there was a lot of drive-ins in the Birmingham area, was it one around

No Flint

Gray: Oh it was up in Flint

Flint

Gray: Okay

Williams: Now how did you know about Greg and Chris associating together

Ah, just, I think my dad told me. Just things I heard

Williams: Did you ever see them together

No

Williams: In a car or anything

21-1787-08

No, never saw them together

Gray: Let me, let me ask you this. Now this information came through your brother about a week ago when he called us. Well we were trying to set up a time to come out, you know, we were kinda playing phone tag and one time when he called him and Brent made of course the comments that you made. When did you make those comments to Brent about, I mean he knew you were molested years and years ago by

Yeah

Gray: By him also, but when did you first tell him that hey I remember a time when, when I went out with Chris driving around and he pointed right to a spot in a parking lot

I think the last interview

Gray: Okay

Yeah

Williams: That's the first time you ever told your brother that

Uh huh

Gray: Okay. That, that goes along with what he said when, over the phone with me. He said he just learned it and he was going to tell us, but he never did. Why didn't he call and say hey, you know, it could've saved us a trip, you know

I don't know. I don't know

Williams: So that time in 77 when he pointed out the spot, it was after that boy had been abducted obviously

Uh huh

Williams: Cause it had been in the paper

Uh huh

Williams: And was it pretty recent

Yeah recent in the paper

Williams: Okay. But it's warming up out

Uh huh

21-1787-08

Williams: So it could've been April, May

Yeah

Williams: June

I can't remember the time of year

Gray: Well when did you go visit over Chris' house? I mean was it in the winter time or

No it was, it was Spring

Gray: How would you get there, I mean

He'd come get me

Gray: He'd come pick you up, huh

Yep

Gray: Okay

Williams: So mom and dad are gone

Yep

Williams: And they had been gone for a few weeks prior to that

Yep

Gray: Then he'd have to bring you home too, right

Yeah

Williams: So when you were over there at the house, and you spent how long did you stay

I can't remember

Williams: Approximately

A few days

Williams: Was there, um, always certain days when he would bring you to the house

21-1787-08

Not necessarily

Williams: Certain days of the week

Not necessarily

Williams: Okay. Did, did the maid ever show up there

Um, I can't remember if she

Williams: Do you remember her

Yeah

Williams: Was she white or black

Black

Williams: Yeah. Do you remember her name?

Williams: Yes

Yeah

Williams: Okay

Oh yeah, I remember

Gray: Good memory

Yeah

Williams: Did you, did ever show up while you were, obviously she did at one point cause you knew her

Yeah

Williams: Okay

Yeah

Williams: So this is were guessing, well based on what you're telling me it sounds like Spring of 77

21-1787-08

Uh huh

Williams: You're at the house. The Birmingham boy had just been abducted

Uh huh

Williams: Had he been found yet, do you remember?

I don't remember that

Williams: And your parents had been gone a couple of weeks

Gray: I don't have anything further. (unclear) pretty good

Williams: Yeah

Gray: Now let me ask you this. Is there anything you're withholding from us?

No. I wish I could, I wish there was more I could say to help you, but I was awfully young then, you know

Gray: How old are you now

42

Gray: Yeah you, you were just a kid. It was 32 years ago

Yeah

Gray: So that puts you at 10 years old

Yep, yep

Williams: Got a picture here of another guy I wanna show you

Oh, ah

Williams: Did you ever hear of a guy named _ from Flint

Em em

Williams: That may have known Chris and Greg.

No

Williams: Doesn't look familiar

21-1787-08

No

Williams: That's him now

Okay

Williams: (Unclear) picture of him

Nope

Williams: Doesn't look familiar. Alright

Gray: Any questions you may have for us, ah, Scott

No

Gray: Appreciate your taking your time out of your

Yeah, no problem

Gray: Now we're not gonna come, we don't have to come back, I mean, is there something you're forgetting, cause this is a long drive

Yeah I understand that

Gray: And the state's broke, ole Jenny along, come over here (unclear) and we can't keep doing this and this is our third time here. Well when information comes up we'll, we'll look at it

Yep

Gray: But let me just

Williams: (Unclear) oh I'm sorry

Gray: Let me just recap one thing. I wanna make sure I'm very clear on this. Um, was there, did your brother tell you to say certain things. Did you fill your head with some of this stuff

No

Gray: Or you just guessing at it

No

21-1787-08

Gray: This is all personal information

This is all up in my head

Gray: You told Chris hey shit man I remember, ah, that Chris took me over, hey I saw a kid got napped right over there at the shopping

Yes

Gray: Center and that was the last time we were here to talk to

Uh huh

Gray: And he told us that. said I wanted to call you on that and he just put it aside or whatever and of course then we called him. Now, once again, you were about 10 years old. You were probably, you thought you were probably in the Jimmy at that time

Yeah

Gray: Okay and you're driving around, just left the where they lived on, ah, in Birmingham, drove a short distance and you asked Chris, hey were was one of those kids taken from

Yeah

Gray: Hot and heavy in the news at the time

Yes

Gray: The Oakland County Child Killer investigation, it was blowing hot

Uh huh

Gray: And then, ah, Chris drove you straight to a spot in a parking lot

Uh huh

Gray: And said, this is in Birmingham

This is in Birmingham

Gray: And said the boy was

Yep, the boy was standing right over there

Gray: As you pointed

21-1787-08

As he pointed

Gray: Not you, he was pointing his finger directly to

Yeah

Gray: A spot

Uh huh

Gray: Very good

Williams: Let me ask you this, did you ever see the Vega again after that

I can't remember. I can't remember.

Gray: Yeah, that's been quite, I wonder what ever happened to that car

Williams: I mean you had the Jimmy, was the Vega at the house do you remember

It could've been. I don't remember

Williams: You don't know, okay. If you don't know you don't know

Right

Williams: Do you remember between that time and when he committed suicide, did you ever see that blue Vega again

No

Gray: Do you know what happened to it, did he tell you

No, I don't know what happened to it.

Gray: Somebody in the family didn't buy it and

No

Gray: Okay.

Williams: Alright. If you took a polygraph about this statement about how this statement that Chris made how would you do

I think I'd do good

21-1787-08

Gray: Well, you'd pass it

Oh, I, (unclear) yeah, I feel good about taking it

Williams: No I mean if we took the polygraph and asked you did Chris Bush take you to that place and say, make this statement while he pointed, would you pass yes or no

Yeah

Williams: Okay

Gray: Why, why would you pass

It's the truth

Gray: Okay

Williams: Very good, alright

Gray: Okay. You, you were gonna say something, go ahead

Yeah, didn't Chris take a bunch of polygraphs and tests himself and pass

Gray: Tell us about that, how do you know

That's all I know, is from my dad saying that, when I brought this up about Chris maybe being responsible for some of these

Gray: With your dad, this is way back, when you said you were about 20

Yeah

Gray: Okay

Yeah and my mom and I told my mom and dad about it

Gray: Uh huh

Busch: And they said well no Chris took polygraph tests over those boys and he passed or something like that

Gray: (Unclear)

Oh is that why they cleared

21-1787-08

Gray: I mean that's one of the tools that they use, not to necessarily say, polygraphs aren't admissible anyway

Right

Williams: Doesn't mean he didn't do it

Gray: Yeah

Williams: ..

Busch: Oh okay

Gray: Alright I guess we're all set. Cory do you have anything further

Williams: No I don't

Gray: Alright, hey, thanks again

Yes

Gray: I was gonna as you, what kind of work you do

Well printer

Gray: You do a lot of arm work when you do that, huh. Okay, let me, let me finish this off

Sure

Gray: The time is approximately 12:40 and the interview with concluded. Thanks again

Uh huh

Williams: I appreciate you coming

Yep, no problem

INTERVIEW
21-1787-08

Gray: Yeah this is Detective Sergeant Gray, State Police, Detective Williams Livonia PD and we're with [redacted] what's your date of birth

Gray: Okay and we're at the, what's the name of this church

Apostles

Gray: The Apostles church in northern, ah

On Northside Parkway

Gray: In Atlanta, Atlanta Georgia. Today's date is August 10, 2009 and it's approximately 1:30, 1:30 p.m. in the afternoon. Um, we're here to talk to [redacted] we just got some, ah, basically some help to ask from you in a since. We got some names we wanna run by you and then I know you have some information you'd like to relay to us too, so, to get started here, we, like Cory said we've been doing this investigation for oh gosh, we've been doing this thing for about two and a half years

Williams: This particular lead

Gray: Yeah, lead, yeah about two years. We've been dogging this case for many years and it just doesn't seem to go away and, and your name popped up a few times and we, we know you've been cleared and, and checked. And they got back with you and your DNA was cleared

No I, yeah I, I don't have anything official that, that says you, you've been cleared or anything like that, I, you know

Gray: Well cleared in a sense that everything we've investigated so far, like when the Georgia Bureau of Investigation about a year and a half or so ago asked you for that buccal swab on your cheek

Oh yeah, yeah, yeah

Gray: That, we, you know we have evidence on, on that case, on the Oakland County Child Killer investigation and it, it came back negative. We did that just because of that one certain individual

Ah, Dolly Dagger, ah

Gray: I know you know the name

21-1787-08

I'm, a I think I'll sue her, you know

Gray: Well you know I, as much as she writes on you, I mean

She just doesn't quit does she. Ah, she's just a sensationalist, you know, she's

Gray: Well I don't, I haven't communicated with her. I figured her out about a couple years back and just really fixated on you

Fix, fixated that's the, that's the word, the right word

Gray: Yeah

I, ah, well I, I, you can't tell her anything. She doesn't listen. She just has a, a tunnel vision

Williams: Well some of things she has said, we, we don't totally dismiss her because a couple of things she has said we, we've determined were true

Gray: Yeah, we've been able to verify some things

Williams: Ah, so one of the things, I'll ask you

Gray: Well let me

Williams: How do you want to start out

Gray: Well, here, I just wanna, when you came, what year did you come down to Georgia

Down I-75, came here on a bus

Gray: No, no what year, when you finally moved here

Let's see I was in Alpena when Chief Austin and Don Stutt came up there and, ah, I was probably there for another six months and I have to leave there, because there was no work there, I had to leave

Williams: How did you decide on Atlanta

Actually I was gonna go to Florida, but, ah, I, the bus ticket I had was only to Atlanta cause I had, I had family in Florida

Gray: Okay

21-1787-08

And I just, I ended up here and I couldn't get enough funds to go back or to go to Florida to get on to Florida, so I ended up here at the bus station, you know, and I had like eight dollars

Williams: So that would've been in 91, 92

Yeah 90, probably 92

Gray: So you just kinda planted your roots here then and

Yeah

Gray: Didn't you have a brother that lived over here or at one time

No I have a brother that lives in Florida now

Gray: Okay

Williams: Is he in Mary Esther

Yeah, Mary, ah

Williams: Mary Esther Florida

No

Williams: Or Spring Hill

Ah, my father was in Spring Hill

Williams: Spring Hill, okay

I got a sister in Venice

Williams: Okay

Ah, and my brother is somewhere in the panhandle. He just moved there last year.

Williams: Yeah that's Mary Esther

That's Mary Esther, okay, alright. Yeah, as a matter of fact I, I

Williams: That's ight

That's
