

EPO Time out. I said, do I have your permission to talk about that vibrator the last time? I remember just now Don said we wouldn't talk about that again. May I talk about it?

Ya.

EPO Did you have it up your rear end?

No.

EPO What were you doing with it?

Nothing. did come out and make a statement that that was used, and I didn't know what she was talking about.

EPO She thought you had to stick it up your butt.

DS She said that by the way.

EPO That's right, she did not...because I know how much you care for

never thought you were the killer. We told

that we wouldn't tell that we talked to her. We also

told I don't know how we can talk to you without you

knowing that we talked to her. She understood that. How much

you care for her, she doesn't think your capable. Have I p--

you off?

No, I remember coming at me and saying "that was used."

I remember her saying that. I don't even remember taking it

into the bathroom with me. I took my shaving kit in their,

but the sink is not in the same room as shower. I can

remember going into the bathroom where the bathtub was and

taking a towel with me. I'd go in the other room and shave

where the sink and toilet is. That's what's confusing. I do

remember taking a couple of showers, probably no more. Just

that one place where she lived, because I stayed overnight

there. I never used that vibrator.

DS

?

With

EPO if would have asked me that question is this a used vibrator, that's what I would have replied, you used it on some other women. Did the vibrator...get blown out of proportion?

I think so. But will do that. That's her preference.

EPO You have anymore questions Don?

DS I don't have anything else...Do you have anything you want to tell us? It's been a long day.

No, at the moment I don't think so. I had thought about this since you were up here last time and I rehashed some of the things we talked about and I wanted to make myself a little bit clearer than I was.

DS Do you think you did that today?

I think so, a little bit.

EPO I think so too. I still have one question are you done answering his question? Because I know there's something we forgot to ask you that you haven't told us about yet.

Go ahead.

EPO So, we'll come back to that.

Something up here was telling me something was wrong.

DS

What was wrong was the question.

EPO Did you think that was a trick?

Ya, afterwards.

EPO

No, I didn't. A little bell went off here and told me something was wrong and I believe the trooper told me that I moved my foot or something like that.

EPO You did.

I didn't know when I did that.

DS Do you know what the bell said?

Nobody knew what it was and you didn't even know what it was until you thought about it later.

EPO Just answer the questions like you did today, alright? Seemingly truthful.

Ok.

EPO I don't know about Don, but I believe you.

Ok, I want to say one thing that when you sit in that chair for the polygraph and they ask you to close your eyes, it's all different.

DS It's suppose to be.

I know, and when he asked me a question, my nervous system just goes like this and I don't know what's going on in the machine.

EPO We take you there, you pass the sonofabitch and you won't see me again. Just answer the questions, don't get all riled up when somebody's trying to trick you. You answer the questions right, and they're not going to say to you "why did you tell us that?" And stuff like that.

DS Be truthful.

EPO Be truthful and there's not going to be any of those kinds of questions, and don't mess with it.

DS All set

Ya.

DS Everything's OK, we treated you fairly today, no problems?

Ya. No problems.

DS Any concerns about the way we talked to you or the way we handled anything?

No, I understand what you are doing and...and you wanted to find out what's what.

DS Then we'll close.

End of interview.

DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.:

**INFORMATION:**

On THURSDAY, 02-06-92 AT 9:07 a.m., PATROLMAN JOEL JETT was working the APD DISPATCH DETAIL and advised that a female caller who would not identify herself, telephoned and requested to talk to DET. LT. SKIBA.

DET. LT. SKIBA identified the caller as [redacted] She advised that she wanted to talk about [redacted] and proceeded to relate that she, [redacted] and HELEN DAGNER, were in the ROUNDTABLE RESTAURANT. This was possibly on SAT. or SUN. 02-01 OR 02-92.

It seemed that DAGNER was pumping [redacted] for information on the OAKLAND COUNTY CHILD MURDERS. She had asked how someone would lure the children into their custody and he told her with porno books. She asked what a person would do with the children and he replied I KEPT THEM FOR FIVE DAYS. She asked what the person did with them during that time and he said A LOT OF PERVERSE THINGS. He said they or he fed them chicken before they were killed and there were no marks on their bodies. He told them that he had been questioned in regard to the murders and he had worked at the DETROIT REN CEN at the time as a stock broker. He had used the expression I DID several times during the conversation.

[redacted] advised that she had called the ALPENA POLICE DEPT. before on [redacted] being a possible suspect in the OAKLAND COUNTY SKI MASK RAPIST CASES and was referred to DET. SGT. BILL HARVEY of the OAKLAND COUNTY SHERIFF DEPT. She said that she gave the number to DAGNER and wondered if or why DAGNER didn't contact the police on the information.

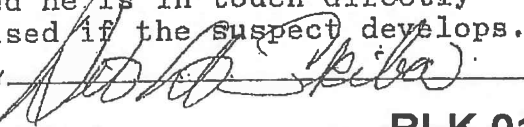

She said that [redacted] was her boyfriend and that DAGNER was interested in him as a boyfriend. She said that she told DAGNER that she could have him and this relationship developed in reference to the OAKLAND COUNTY CRIMES.

[redacted] inquired if a book titled "WOLVES IN SHEEPS CLOTHING", existed and was advised, yes, it's on the bookstand or could be ordered.

[redacted] advised that [redacted] now resides at [redacted].

DET. LT. SKIBA telephoned DET. SGT. HARVEY and advised of the information. HARVEY advised he is in touch directly with DAGNER daily and will advised if the suspect develops.
