

Karen: Yeah

Vince: I really don't think that would happen, but you never know

Karen: Yeah

Vince: So, anyways, that's okay, if he can't do it, he can't do it. I guess I, you know, when I do get a lawyer, that this lawyer, that, you know, is gonna have to do that, you know, in my defense

Karen: Yeah

Vince: Look up a bunch of dates and a bunch of, you know, bunches, like the date with Stephanie. That's one thing I just racked my brain. I'm trying to come down to a date of when I went to Monte and it all blew up.

Karen: Yeah

Vince: And I know that she was

*You have one minute left*

Karen: Yeah

Vince: Hey by the way I'm gonna

Karen: Yeah

Vince: I love you, praise God, um

Karen: I love

Vince: Also if you have another phone call on here Karen, chances are it's gonna be good for Michigan, cause Michigan has Evercom

Karen: Oh, okay, well listen, use it

Vince: I'll save

Karen: Use it for there

Vince: Yeah

Karen: Use it while you're there. I just

21-1787-08

Vince: Where, here  
Karen: I enjoy use, hearing your voice here and there, okay  
Vince: Alright, alright. I love you girl  
Karen: I love you Vince  
Vince: Huh, you know  
Karen: I love you a lot and  
Vince: I'm having up days and I'm okay, you know  
Karen: Yeah  
Vince: Miss you guys  
Karen: Yep  
Vince: Okay  
Karen: God is, God is in control, we know that  
Vince: Yeah  
Karen: Yeah. Even when it doesn't look like it, so  
Vince: Yeah  
Karen: It's a season, it's a season and  
Vince: I know it  
Karen: And we know it'll pass  
Vince: I know that  
Karen: Yeah, yeah  
Vince: There's something good coming out of this, you hear me  
Karen: I know, I know it is honey. God Bless You  
Vince: God Bless You

C O N F I D E N T I A L

Karen: And keep you

Vince: Give that girl a hug and tell her to get better

Karen: Okay I will, sure will

Vince: Okay

*Thank you for using Evercom, good bye.*

**CALL #3**

*Hello this is a collect call from*

Vince: Vince

*An inmate at the Butte Silver Bow County Jail. This call is subject to recording and monitoring. To accept charges press 1, to refuse, thank you for using Evercom. You may start the conversation now.*

Vince: Hi

Karen: Hi Honey

Vince: How are you?

Karen: Fine. I'm out talking with, um, Naomi, having a smoke

Vince: Outside

Karen: And, and we were just talking about you

Vince: Oh

Karen: She was, she was glad I got a good letter from you

Vince: Oh, yeah.

Karen: Yeah

Vince: I got your good letter too.

Karen: Good

Vince: And they gave me, they gave me that check to sign. I guess they're gonna put it in my account, so

1011-12

Karen: How much was that?

Vince: It was forty

Karen: Oh good

Vince: So, yeah, so

Karen: Something, huh. Anyways

Vince: Yeah

Karen: She also said when she, when I knew it was you calling, she said tell him I love him, will you.

Vince: Oh

Karen: You know

Vince: Thank you, thank you, first

Karen: Yeah

Vince: Real smile I've had all day, for real. Ah, hey I got a couple things I want to talk to you about real quick. Um, Paul can come up here, that's not a con, tell, I mean if he's just flipping about it, don't, but I'd love to see him before I go, and you too.

Karen: How, how do you know he'd be okay

Vince: He'd be okay. If you had his name ran here in this state, Karen, it's not gonna matter, guarantee it.

Karen: Okay

Vince: It's the same thing. It's exact same thing and somebody else has had that, in this where I'm at right now

Karen: Okay

Vince: You know this same situation

Karen: Okay

Vince: And he said no problem, um, on that. Anyways, ah, do you want me to call this Callahan lady and ask her now to be calling you.

Karen: No, thank you

Vince: I do have her number to do that with.

Karen: No. I'm fine. Thank you though.

Vince: Well

Karen: I wondered if that would bother you. I wonder if that would bother you, but I was, you know, it was

Vince: In a way it does, but, in a way it does Karen

Karen: It was on my machine. I would not have talked to her personally. You know I have that

Vince: Okay, well I can stop that

Karen: I have that choice.

Vince: Well

Karen: You know what I mean. So, no thank you, though

Vince: I (unclear) Okay

Karen: Yeah

Vince: Okay

Karen: No

Vince: Cause maybe

Karen: You know, who knows what she, who knows what she was talking about with that, you know

Vince: Uh huh, okay

Karen: But in terms of options

Vince: I just want to tell you, I just want to tell you sister, you are, just you being you, you hear me, (unclear) support

Karen: No, what'd you say

21-1787-08

Vince: The support

Karen: Yeah, okay

Vince: And, and just staying in contact once in a while, write letters, whatever we can do, whatever we can do

Karen: Yeah

Vince: And I don't know that's some, this is one thing that's really got me not concerned, I told you about the thing about protection and all that, but

Karen: Yeah

Vince: The, the thing about that would be in prison, actually would be in both places, prison or jail, cause I have no idea where they're going to house me at

Karen: Uh huh

Vince: Okay. I am going, definite.

Karen: Yeah

Vince: I talked to Cadbury yesterday and I'm having a hearing tomorrow here at the jail with him about the violations that they're sending me back on. They're not sending me back on a warrant out of Michigan for any criminal things, it's for these violations. You understand what I'm saying

Karen: Oh really

Vince: Oh yeah

Karen: Uh huh

Vince: Yeah, this is just a, oh Michigan Department of Corrections wants me back for these, as a matter of fact they're using the marijuana one and I said wait a minute they, they dropped them charges, they, they

Karen: Uh huh

Vince: Released me from, so it's a bunch of malarkey, so I am making go through a little hearing here at the jail and I know I'm being found guilty

Karen: Uh huh

00-1011-12

Vince: And I know they're gonna send me back anyways

Karen: Yeah

Vince: But I'm gonna do it for the paper trail reasons of later on, you know what I'm saying

Karen: Yeah

Vince: And that's, you know, really where I'm at right now. But the hearing will be tomorrow afternoon, or tomorrow morning at like 9:30 and if, if I'm able to I'll get a letter out right away to you to let you know what the outcome was with that. I did order a couple stamps

Karen: Okay

Vince: I will be ordering, getting some stamps tomorrow, so I'll do that

Karen: Okay

Vince: So you know

Karen: So we already knew that. Paul had called your PO yesterday, so we already knew there was this hearing coming tomorrow.

Vince: Uh huh

Karen: The question, the question really is how much longer will you be in the state.

Vince: Exactly, and I don't think very long Karen. He mentioned a jet ride

Karen: Yeah

Vince: Okay, he, when he came up yesterday, when I talked to him real quickly, he got really huffy with me, really huffy

Karen: Okay

Vince: About this ten minute thing and everything else and I kinda got huffy back with him.

Karen: Uh huh

Vince: And then I read these violations and they're giving, they're violating me for not finding a job, I says

Karen: Okay

21-1787-08

Vince: How could I have found a job

Karen: Yeah, yeah

Vince: You know

Karen: Yeah

Vince: The up and down the hill thing and

Karen: Yeah

Vince: Everything else

Karen: Yeah

Vince: So I'm contesting that one and I'm also contesting that they're saying I did not complete the EST Program, which is the one that I dropped and did the breathalyzer every single day that I was here in Butte

Karen: Yes, yes

Vince: And I never got a dirty. So

Karen: Yeah

Vince: They're saying that because I didn't complete it they are violating me

Karen: Yeah

Vince: For it

Karen: Yeah

Vince: And I'm like wait a minute, I know Michigan wouldn't go for that, they wouldn't

Karen: No

Vince: It's not about that, it's about whether you got a dirty or not. So anyways

Karen: Yeah

Vince: Um, I'm just making his, when, when that conversation got, all kind of going on that

Karen: Yeah

Vince: He was like what do you mean, I can make you, I can make your trip back to Michigan be one town to the next town to the next town, but then he brought up this jet thing and you know what the jet thing is, right, that's federal

Karen: No, oh okay

Vince: That's a federal thing, that's

Karen: Okay

Vince: They're the only ones that transport inmates by air

Karen: Okay

Vince: It's called Com-Air and

Karen: So how, how can they do that without a charge

Vince: I'm thinking that the Feds are gonna step in and say we want him back here now.

Karen: Yeah

Vince: I don't know that. I don't know. I'm assuming

Karen: Yeah, yeah

Vince: Because he's the one that brought it up, I didn't.

Karen: Yeah

Vince: You know

Karen: So, anyways

Vince: I'm saying if they do take me, I'm thinking probably mid next week at the latest

Karen: Okay

Vince: I don't know that though Karen

Karen: Yeah, exactly, yeah

Vince: Have, have Paul give me one too

21-101-12

Karen: Is Paul on your list

Vince: He, I don't need a list, but I, I'm gonna put you guys both down to see me and Friday's the next day. The only two days you can see me is Wednesdays and Fridays

Karen: And Friday, yeah

Vince: Yeah

Karen: And you have to have an appointment, uh huh

Vince: It's 10:30 to, ah, 12 and then from 1:30 in the afternoon until 3. And I have to write down or 3:30, excuse me, and I don't think it's for the full time. I don't think, you know, I don't know how they do that, but anyways do you want me to put you, both of you down for Friday or should I wait till next Wednesday. And that's if you guys can make it, if you can't, you can't. I understand.

Karen: Right

Vince: I don't

Karen: Um

Vince: Or not at all Karen. I mean if you don't

Karen: Well just put it on there, it doesn't hurt and then again next week if you're there, you know

Vince: Okay, but do you want me to do it for the afternoon one or the morning, cause they keep asking that specifically, 10:30 or

Karen: You know what that's hard, that's hard to say Vince, because the lady told me you'll have to make an appointment and she didn't tell me, you know, what time

Vince: I know Karen

Karen: That there were specific times to do it

Vince: Yeah, there is, 10:30

Karen: She told me there'd be a one hour visit allowed

Vince: Okay, so it's either 10:30 to 12

Karen: To noon

Vince: Or 1:30 to  
Karen: 1:30 to 3:30  
Vince: 3:30. I would, what would be best for you guys. I mean I don't know that  
Karen: Well probably morning if, if I can come it'd be morning  
Vince: It at all, okay, okay  
Karen: Yeah  
Vince: That's what I'll do then, just, you know  
Karen: And I would say the same for Paul  
Vince: I will, I will. And I was hoping maybe you guys would come together, you know  
Karen: Uh huh  
Vince: That would be so good, I mean, you know, it'd be  
Karen: Yeah  
Vince: You know (unclear)  
Karen: Well Paul is really with you Vince  
Vince: I hope so  
Karen: You know, well he is  
Vince: He knows, he knows  
Karen: Yeah  
Vince: He knows  
Karen: Yeah  
Vince: And, you know  
Karen: Yeah  
Vince: He knows and he also knows if you know what I'm saying

00-101T-T9

Karen: Yeah

Vince: So, you know, it's like

Karen: Yeah

Vince: And I love him and you know

Karen: Yeah, it's like, you know, it's definitely there is what I mean to say

Vince: Cool, cool

Karen: Yeah

Vince: Cause I just wrote you a letter not five minutes before I got on this phone, things about Paul and me in the past, just, you know, him not being reliable and saying he's right and he'd never be and blah, blah, blah

Karen: Yeah

Vince: You know and, and just a lot of different things, but I think he knows this is a different situation here, so

Karen: Yeah

Vince: As far as

Karen: I know he wants to come and he's just been so nervous about it

Vince: Well

Karen: You know

Vince: I was told, and told, and told by one person and only one person he has nothing to worry about, especially if he's been, you know, ticketed and so forth, so

Karen: Uh huh

Vince: Anyway, um, I love you guys, give Naomi a huge hug

Karen: I love you

Vince: Give Rose a huge hug. Ah, will you be able to send me Steve and them guys address

Karen: I did, I did in today's mail

Vince: Oh, I didn't know I didn't get it

Karen: Oh, not Steve's, I didn't send Steve's. I sent Puma and Ellen.

Vince: Okay, I didn't know about Steven's

Karen: Yeah

Vince: Anybody else or whatever

Karen: But I saw Steve this morning. He's asking about you. He's praying for you.

Vince: Thank you

Karen: You know and just, just lovin' on you Vince

Vince: Okay, thank you. Thank you.

Karen: You know, yeah

Vince: Yeah

Karen: And I will, eventually, when I get, when you get somewhere I will send pictures that he's e-mailed me, okay if you'd like

Vince: Yeah, if I can have, if I'm in the jail I don't know what, you know what

Karen: What you can have

Vince: I know it's Oakland County so it's different than

Karen: Okay and I know it'll, if you're in protective custody it'll be a while before you can phone

Vince: Phone

Karen: But you will be able to get mail

Vince: And stamps too, yeah I can automatically get mail, but I don't know about stamps and stuff or how long

Karen: Yeah

Vince: It takes me to get them

Karen: Yeah  
Vince: Where I'm at or whatever  
Karen: Yeah  
Vince: Or will they let me take the ones I have here with me, I don't know.  
Karen: Yeah  
Vince: A lot of if, but  
Karen: Yeah  
Vince: Anyways hey  
Karen: Okay  
Vince: Love you sis  
Karen: Good to be  
Vince: I'm praying, I'm praying  
Karen: It's  
Vince: Oh, hey, this is  
Karen: I'm doing so much better  
Vince: (Laugh)  
Karen: What  
Vince: I am  
Karen: I can tell. I can tell.  
Vince: I've got a bunkee, I've got a bunkee that's a complete jerk, it's like thank you  
Lord  
Karen: Yeah, yeah  
Vince: Thank you. (Unclear) just perfect you know  
Karen: Yeah

21-1787-08

Vince: I'm wondering, you know what I'm saying Sis

Karen: Yeah

Vince: I was tempted to put myself in seg, I mean tell 'em look don't put me in with anybody, you know

Karen: Yeah

Vince: Just for the I don't wanna be around anybody thing, which I could do, I could do it right now

Karen: Yeah

Vince: And it's not, you know, it's not considered suicide watch or anything, it's just, you know, don't wanna be around anybody

Karen: Yeah

Vince: I thought, no, you know, I wanna be able to get out and watch a show on TV if I wanted to, which I haven't, but, you know that type of thing, but anyways

Karen: Any windows

Vince: Um, I got, yeah, ah, I'm on an upstairs level and I can look out and you know I was in a room that I could actually look out my window, Karen

Karen: Yeah

Vince: From my room and see the lady light

Karen: Oh

Vince: Up on the roof

Karen: Oh cool

Vince: But they moved me to a different cell

Karen: Oh I know that meant, I know that meant

Vince: They moved me to a different cell and now I'm facing the same ridge, but I can't see her, herself at night

Karen: Yeah

Vince: You know it's the same ridge though

Karen: Yeah. I can't imagine any more calls Vince

Vince: Okay

Karen: But if there were calls it would go on my machine because I can see immediately where it's from

Vince: Yeah, okay

Karen: You know

Vince: Yeah

Karen: So

Vince: I just don't want them bothering you or pestering you and you know I mean Karen I don't want to get you involved. I'm telling you, stay out of it. Stay out of it. I do want Paul to help me out and that's one of the things I want to talk to him about, if it's necessary in the future.

Karen: Yeah

Vince: You know, like

Karen: Yeah, well you talk to him about it

Vince: I want him to look at, I would like to have him before I go if it's possible, or right, right after I leave to actually get me a list of public defenders and lawyers and there's one in particular I'd like him to look up and see if he can get me his number and his name, I don't want, just tell him I may, I would like to talk to him about that, okay

Karen: Okay

Vince: Because I mean, this lawyer I believe, if, I'm pretty sure Karen, he's very

Karen: What's his name? What's his name?

Vince: Jeffrey Feiger and he's very famous Karen. He's huge in Michigan, huge, he's the one, he's

Karen: And what's his last name

Vince: Feiger

01011-12

Karen: Last name, how do you spell it

Vince: Jeffrey, I don't F I G E R

Karen: How do you say it?

Vince: Feiger, Feiger

Karen: F I

Vince: F, yeah F I G E R or something like that

Karen: Something like that

Vince: He's the one that defended Dr. Kavorkian and he, he's no

Karen: Okay

Vince: And he's for no gains, Karen, and I believe if it's a high profile enough case, he may take it pro bono

Karen: Yeah

Vince: Cause that's what he's all about

Karen: He's a Michigan Public Defender

Vince: Oh, I don't know about public, he's private definitely

Karen: Okay

Vince: Oh he's a five thousand dollar an hour lawyer, every bit of it

Karen: Okay

Vince: But, like I said, if it's a big deal he would

Karen: He might

Vince: He might take it just for that reason, and, and he may refer me to

Karen: Yeah

Vince: But anyways that, that's something I'd like, that kind of stuff, maybe Paul in the future I could use him to check into something like that, but

21-1787-08

Karen: Okay. Well I'll mention that to him honey, okay

Vince: Yeah, you know that's the type of help. I love you.

Karen: I love you Vince

Vince: (Laugh)

Karen: I love you

Vince: I know

Karen: And I think it's so awesome that you've been here, you know

Vince: Oh, me to, me to

Karen: Yeah

Vince: And I'll be back, how about that

Karen: Yep

Vince: Not on parole though

Karen: You've been, you've been sitting

---

Vince: Yeah

Karen: Out there for years dreaming and you got, you got some taste of it, you could've been sitting there all this time

Vince: Yes I know

Karen: And I just thank God that you did get out

Vince: Yep

Karen: That you had some time to refreshing

Vince: (Unclear) and I

Karen: Yeah

Vince: Had a bonfire with the sister

21-1787-00

Karen: That bonfire, yeah

Vince: You know, you know

Karen: Yeah

Vince: And we'll have more in the future kiddo, you hear me. How's Helen real quick

Karen: I believe it

Vince: How's Helen

Karen: Oh, she's gone to work for two days to e-mail me back, no worries, she said, you know.

Vince: (Unclear)

Karen: So she's not going on the trip, she's not going on the trip. She decided not to do Florida

Vince: Uh huh

Karen: You know didn't want to be that far from doctors, so

Vince: Okay

Karen: So, yeah, yeah. So she, sounds like she's doing good. You know hasn't checked into any more of the genetic stuff

Vince: Right

Karen: She's trying to figure out how she can get coverage for that. I guess it's quite expensive, but anyway, yeah

Vince: Yeah

Karen: So no other real family news

Vince: Okay

Karen: You know, new, news

Vince: Right, right

Karen: Yeah

21-1787-08

Vince: Give everybody hugs for me

Karen: I will

Vince: (Unclear)

Karen: I will Vince

Vince: I'm gonna, I'm writing you a letter right now as I speak

*You have one minute left*

Vince: I'll get it out in the morning

Karen: Okay I just sent a quick one off to you today, okay

Vince: Okay, okay. I'm gonna write too as soon as I can

Karen: Okay, so let us

Vince: (Unclear)

Karen: Yeah, let us know as soon as you know, if you can, when you're leaving

Vince: I don't think they'll let me know prior to that Karen, but I'll, you know, if they do, they do and I will, of course

---

Karen: Okay

Vince: I'll put you down for the visit thing for Friday and then Wednesday if I'm not gone yet, okay

Karen: Okay

Vince: (Unclear)

Karen: Alright

Vince: Love you

Karen: Love you Vince

Vince: Okay

Karen: Okay

Vince:      Bye

Karen:      Bye bye

*The call*
