

40 YEARS OF HELPING CHILDREN.

# CARE HOUSE OF OAKLAND COUNTY

***CARE House is best known for its forensic interviews and therapy services, but the majority of our services are related to child abuse prevention. We offer support to families, children and schools BEFORE abuse ever occurs.***

**Will you wear BLUE tomorrow and tell people you are participating in a national day to highlight child abuse prevention?**

**Throughout the month of April, CARE House will share information and resources to keep your family strong, safe and resilient.**
