

Loran-

I checked with Officer Waldro who was in Charge of our C.S.C. case for which Greene was sent to prison. He stated Greene was involved in approx. 50 Sexual Abuse charges in California - Huntington Beach before that time. All of these charges involved children & Greene spent less than a year in some Forensic Center for same.

After release from the Forensic Center he came to Michigan & was placed on probation. David Ritter was Greene's p.o. and has the exact dates & times of Greene's whereabouts between this time & our arrests. You can contact him at Mon-Fri between 8am & 5pm.

January 25, 1977 Greene was arrested on our charges (3-C.S.C. 1st Deg) and lodged in our City Jail with \$75,000 Bond. Greene could not (over)

make bond & was sent to Genesee
County Jail 2/3/77. Greene
remained there until 4/16/77
when he was sent to prison. I
double checked with the County
Jail - Greene was not bonded out
or put on any kind of work release
during that period. Only time
Greene was out was for court purposes
or with a police officer present
all the time.

Why polygraph him @ All
let alone twice on King if you
already said he was by custody
at that time?

Sgt Haldron also stated Greene
was polygraphed on the Timothy
King murder twice. Once by
Sgt Robert Florida (GPD) and
once by a State Trooper from
Pool #35. This was the only case
Greene was questioned or polygraphed
on by our department.

Sorry couldn't have been
more help - here's a copy of our
District Court history. I've starred
a couple places that might
be of interest to you. Good Luck
Julie - JB.

GREENE WAS poly'd 2-1-77 BEFORE
King took place.
