

1 sideburns and blackhair, stating that he was always with Carl. "Chico" worked at a septic company
2 named Woods on Van Dyke in Romeo and the three of them were always at the Country Tavern on
3 Van Dyke near 21 Mile Rd. Gay told me that when Gina was going through her divorce from Bud Cook,
4 she would meet Carl Schonebeck at the Country Tavern and that Joe Busch and John Busch were also
5 always there. Gay went on to say that Joe Busch is the one who worked at Foltz's with Carl and
6 "Indian Kim". Gay further stated that the oldest brother of the [REDACTED] boys named "Chuck", who Carl
7 raped, would know the last name of "Indian Kim".

8 6-06-07: Gay's e-mail to me today, she states that no one seems to know "Indian Kim's" real name but
9 describes him as looking like Elvis, approximately 6 feet tall, 200-220 lbs., muscular type. Gay said that
10 Clarence Caston or Joe Busch would know "Indian Kims" real name.

11 6-13-07: I had asked Gay [REDACTED] during a phone conversation, if she or Bill had an old photograph of
12 Gina? They e-mailed me a photo of her from 1972. I asked them for this photograph after seeing the
13 composite of the woman on Helen Dagner's website that was put out after the murder of John
14 McKinney in Birmingham in September of 1977. This murder is still unsolved and the woman in the
15 composite is wanted for questioning. The police believe that a man and a woman were possibly
16 involved in this murder that took place at McKinney's art gallery in Birmingham on Hayne St. in 1977
17 and the woman in the composite was seen at the Landmark restaurant at 15 & Livernois with McKinney
18 several hours before his murder. It's a long shot, but the woman in the composite looks very similar to
19 Gina Busch. (There were two drinks poured at the art gallery when they found McKinney's body & he
20 had been hit over the head and shot in the temple at close range. McKinney owned the art gallery and
21 also worked in the area as a chaplain). ***** Interesting, if nothing else, that this guy is murdered, in
22 Birmingham, with no known motive, shortly after the last child was abducted and killed, the
23 killings stop after this and the case is never solved.*****

24 6-17-07: Received a call and information from [REDACTED] today.

25 6-21-07: John Ouellet (FBI) called me today and stated that he and Garry Gray (MSP) went and
26 interviewed Joe Busch (Gina & John Busch's brother). Joe worked with Carl Schonebeck for years at
27 Foltz's Excavating in Utica Michigan. Joe admitted knowing Clarence Caston ("Chico"), but said that he
28 had never heard of "Indian Kim". ***** (See S.A. John Oulette's report on this interview in FBI file) *****

29 7-15-07: I received a call today from "Mike" [REDACTED]. I spoke with Mike about a year ago in regards to
30 information he had on some possible "Downriver" pedophiles that he was aware of. These particular
31 suspects had raped his girlfriend in Trenton in 1972. [REDACTED] told me that he ran into one of these
32 suspects at the Grosse Isle Yacht Club in 2003 and they began talking about the troubles they had in
33 the past. [REDACTED] identified this subject as Donald Pavlov. [REDACTED] told me that Pavlov stated that things
34 got worse with this group after the 1972 rape of his girlfriend, stating, "they then started killing kids in
35 Ohio." These subjects operated in the downriver Michigan area. ***** (See file for further info on
36 these subjects). *****

37 7-31-07: ***** (I received information today from Cathy King, "Tim" King's sister. The information
38 she provided has the potential to be a good lead in her brother's abduction/murder case. See
39 my separate file for reports and information regarding this lead & investigation into Christopher
40 Busch & Gregory Greene, which is on-going) *****

41 8-7-07: ***** (Identified Josiah Tazelaar's roommates @ 1012 Seminole in Detroit today) ***** I was
42 looking through Gorzen's (MSP) report today and saw that Josiah Tazelaar had moved from 88
43 Stevens to 1012 Seminole in Detroit late in 1976 or early in 1977. I was attempting to identify
44 associates of his, to try and show a further connection between the Tazelaar's and Ted Lamborgine.
45 We have already established a "loose" connection between the two, with "Duffy", who was a roommate
46 with Ted Lamborgine in the mid 70's and who would bring young boys from southwest Detroit to
47 Tazelaar's house in Highland Park for their "pedophile party's". Tazelaar had also admitted to
48 investigators that in the spring of 2007, that he knew Lamborgine through "Duffy," only after being
49 cornered about this. How these "pedophile parties" were arranged, who attended, where they took
50 place and what occurred was described by [REDACTED] (Tazelaar's boy lover from Port Huron) to
