Memo from the Executive Director

TO: KIC Members
FROM: Phil Musser, Executive Director
RE: March 10, 2004 Membership Meeting
DATE: March 1, 2004

The next KIC member meeting is scheduled for Wednesday, March 10th at 7:30 a.m. in the community room in the UPPCo Headquarters building. A continental breakfast will be served.

We are pleased to have Heikki Jylha-Vuorio, the Dean of the International School of Art and Design at Finlandia University, as our presenter. Heikki will brief us on the Global Design Solutions Network, an international initiative to develop product design and research to allow companies to take account of cultural differences in designing global products.

Finlandia University is partnering with 4 design universities in Europe, 3 universities in the U.S., 3 universities in China and 2 in Japan, in addition to 4 international companies including Wilson Sporting Goods. The companies will assign design projects to the partner universities which must analyze the cultural characteristics that affect product design and design appropriate products for a global marketplace.

Finlandia University is coordinating the U.S. and Asia aspects of the project, and Tekes in Finland is coordinating the European aspects. This is an innovative project that will help to put the Keweenaw on the international product design map.

REMINDER - If you have not already paid your 2004 membership dues, please do so or make arrangements to pay them at a later time. This will help us complete our 2004 budgeting so that we know how many development projects we can undertake this year.

See you at the meeting!!
