Nature of Complaint:

CRIMINAL SEXUAL CONDUCT (YOUNG BOYS BEING DEBAUCHED BY ADULT MALES)

INFO TO EDMONDS, WASHINGTON PD:

Information regarding one, \_\_\_\_\_ had been referred to the Edmonds, Washington Police Department previously. \_\_\_\_\_ was the individual who gave GERALD RICHARDS the photographs that led to the investigation and raid on the boys camp in Tennessee. POLICE CHIEF M.M. FOSTER of the Edmonds Police Department recently sent the undersigned officer a letter requesting any additional information on \_\_\_\_\_ as he was allegedly involved with youngsters again. GERALD RICHARDS believes that \_\_\_\_\_ has been in contact with GROSSMAN and SHELDEN. So this information and the limited information regarding \_\_\_\_\_ was referred to the Edmonds, Washington Police Department by letter on 3-10-78.

F.B.I. INVESTIGATION:

On 1-6-78, the undersigned received information from an informant that FRANCIS SHELDEN could be in West Palm Beach, Florida with a \_\_\_\_\_. This information was learned in the Traverse City area when a check was cashed in a Traverse City bank, bearing the signature of \_\_\_\_\_ and FRANCIS SHELDEN.

The undersigned gave the above information to F.B.I. agent, NATE FARMER, of the Mt. Clemens F.B.I. office. FARMER referred the lead to the F.B.I. office in West Palm Beach, Florida for follow-up. The follow-up investigation by the agents at West Palm Beach indicated that \_\_\_\_\_ who was a former Michigan resident is now living in West Palm Beach, and he is marrying a girl who has the name \_\_\_\_\_. \_\_\_\_\_ denied knowing FRANCIS SHELDEN, the wanted subject; however, after some lengthy interview by the agents, it was determined that he had met him 5 years ago and his wife, \_\_\_\_\_ apparently was some distant relative of the wanted subject. AGENT FARMER indicated that the agents who made the investigation in Florida were satisfied that the wanted subject was not with \_\_\_\_\_. However, it would appear that the coincidence of the persons and names involved would bear further scrutiny.

AGENT FARMER advised that he has received information from a source that believes that FRANCIS SHELDEN is currently at the Mill Reef Club in Antigua Island. This information had been passed to the local police department on that Island; however, no response was ever received from the F.B.I. office. This information is to be followed-up by an F.B.I. agent to determine if, in fact, FRANCIS SHELDEN is on Antigua.

FURTHER ON GROSSMAN:

AGENT FARMER advised that he had a lead from the NCIC computer hook-up that the police department in San Francisco, California missed DYER GROSSMAN by 3 days around 3-5-78.

	Date of Supplementary Report 5-15-78	File Class 1100-2

At that time the San Francisco Police Department arrested one, JERRY HOARN, of [redacted] for child molesting. When they made the arrest, there was another white male subject living with HOARN who was processed, giving the police officers a phony name. Three days later, HOARN advised the police officers that this subject was in reality DYER GROSSMAN. GROSSMAN used the aliases, DALE OSTERMAN, ELLIOT CROSSMAN and ELIJAH CROSSMAN. GROSSMAN now has shoulder-length hair and has left, leaving no forwarding address. HOARN told the police that GROSSMAN was suppose to go back East; however, investigation by the F.B.I. at GROSSMAN'S parents' home, [redacted] at [redacted] was made with negative results.
