

Three Report Car Breakins in Berkley

Three cars were broken into while parked in the lot of Hartfield Lanes, 3490 West Twelve-Mile, Berkley, on Saturday night, police said.

It was the third set of breakins at the lanes in a week.

Reporting breakins were:

Rose Kaye, Sterling Heights, a citizen band radio valued at \$150, between 7 and 9:30 p.m.

George Johnson, 13347 Nadine, Huntington Woods, 36 eight-track tapes valued at \$50, between 7 and 9:30 p.m.

R. Jerry Simmons, 18659 Cambridge, Lathrup, dashboard and glove box damaged by crowbar, but nothing missing, between 11:30 p.m. and midnight. Simmons said he put his citizen band radio in the trunk of his car because of recent thefts at Hartfield's.
