

1 all the time in the early to mid 70's in the Cass area and no one did anything about it until kids started  
 2 disappearing in Oakland County. [redacted] said that it wasn't until he moved in with the Redmond family at  
 3 the Cass-Methodist Church that he felt safe. During a later interview with [redacted] he told me  
 4 that when he was approximately 16 years old, Pastor Lewis Redmond would watch [redacted] take a  
 5 shower. [redacted] was close with Redmond's son Robert Redmond that was shot and killed in Brian  
 6 Reardon & Ricky Copley's apartment on 3<sup>rd</sup> near Alexandrine in May of 1976 over the rape of a kid  
 7 named Steve. [redacted] by Reardon & Copley. [redacted] was a friend of Robert Redmonds.

8 I told [redacted] that we want to talk specifically about these types of activities in the 70's here in the Cass  
 9 area. [redacted] began to talk about a subject named Andy Kuhn, stating that he ran an after hours bar in  
 10 the Cass Corridor at Grand River and Chicago for years and is a guy we should talk to. [redacted] said that  
 11 Andy Kuhn is about 80 years old and has a son and a grandson that were recently arrested for  
 12 narcotics activity.

13 I mentioned George McMahon to [redacted] and he appeared to be taken back at first, stating,  
 14 "not George." John seemed upset and said that George came to see him two weeks ago, asking [redacted]  
 15 to loan him \$2,000.00. When [redacted] asked George if everything was okay, George told [redacted] that he was  
 16 in some trouble and needed the money and that he didn't want to talk about it. [redacted] told George that  
 17 he didn't have it to lend to him. I asked [redacted] if George has ever done this before, to which he stated  
 18 "no." [redacted] told detectives that George is "squeaky-clean" and did a lot for the community. [redacted] went  
 19 on to say that George married a nun and his son "Ghandi" was killed 20 years ago. I asked [redacted] about  
 20 whom George was in business with and he said "Chuck", "Chuck Fliger, 'what an Asshole.'" I asked  
 21 [redacted] if Chuck was into the young boys, to which [redacted] stated he was. [redacted] said that George & Chuck  
 22 ran a roofing/construction business in Cass Corridor and had an office in the area of Cass Ave. &  
 23 Temple. [redacted] knew about Chuck having lived with George and George's wife Pat in the 70's and that  
 24 Chuck had stabbed George. I said to [redacted] I know you've said that you thought that George was a  
 25 pillar in the community, but know that you know his name came up in this and you know George was  
 26 always running youth programs and knowing Chuck Fliger, do you now think that George McMahon  
 27 was also into the young boys. [redacted] sat back, nodded and said, 'he was always hugging all the young  
 28 boys, but he never touched me.' [redacted] went on to say that I guess George was like that and now I  
 29 know why he said he was in trouble." [redacted] said that George was in a group in the Cass Corridor in the  
 30 70's called the Concienscious Objectors with a John Strom and Pat Dorn. John said that detectives  
 31 should talk to Pat Dorn about George. After this interview was terminated and by the time I returned to  
 32 the office, [redacted] was calling me and said that he called Pat Dorn and told him what we (detectives) were  
 33 working on and Dorn told John to tell detectives that we Want to look at George and Chuck Fliger for  
 34 this. [redacted] knew that we were investigating the kidnapping/molestation/ murder of young kids. Pat  
 35 Dorn's phone [redacted]

36 I asked [redacted] if he remembers a guy that ran a bike shop out of a house in the Cass area back then,  
 37 to which he stated he did. [redacted] said that there was a guy that worked on bikes at his house that was  
 38 next door to the Miami bar on Cass Ave. near Alexandrine back then but that the house is no longer  
 39 there. I asked [redacted] if he remembers a guy named Bob Moore, to which he stated he did know the  
 40 name. I showed [redacted] a known picture of "little Bob" Bob Moore and he said that that was the guy that  
 41 worked on the bikes at the house on Cass near Alexandrine on the east side of the street. [redacted] said  
 42 he didn't really know any more about Bob Moore, about his pedophilia or about any activities Bob  
 43 Moore was in down on Henry St. near Cass Tech High School, or about a place called the "Mansion"  
 44 down there. [redacted] did say that the [redacted] brothers, specifically [redacted] and one they called  
 45 "Rabbit" lived down on Henry St. near Cass Tech. [redacted] began to say that the two places he knows that  
 46 are called the "Mansion" were at Cass & Seldon, but he didn't know names at that place. [redacted] said  
 47 that the owner of the Miami Bar, Danny Overstreet bought the house that Moore ran the bike shop out  
 48 of, next door to his bar.

49 [redacted] then began to talk about the "Mansion" at Canfield and Third St., stating that the guys that lived  
 50 there were into the young kids and also were making movies of the kids there. [redacted] said that one  
 51 subjects name was "Lou" Fix lived at this house for approximately 20 years. [redacted] described "Lou" Fix  
 52 as being a white male that would be approximately 60 years old today and still lives in the Detroit area

1 as far as he knows although he hasn't seen him for years. John said that the young boys were  
2 continuously in and out of that apartment type house and Fix was producing films of them. John said  
3 that Fix lived there with a couple of homosexual partners and described one as possibly being of  
4 Mediterranean descent. John said that he knew that "Lou" Fix had been in the military during Vietnam  
5 and thought that his roommate who John called "Frank" had also been in Vietnam. John described  
6 "Frank" as being 5 feet 6 inches with dark hair, balding. [REDACTED] said that "Frank" and "Lou" had a  
7 homosexual relationship that included "Frank" being submissive to "Lou." John said that he knew a  
8 black male named [REDACTED] who had been molested by "Lou" & "Frank." [REDACTED] described the  
9 "Mansion" as being situated next to a Tabernacle on Canfield just east of Third St. [REDACTED] further  
10 described the structure to be a duplex type large house constructed with large black and gray type  
11 stone blocks. Detective's drove to this area and confirmed this structure to look and be located exactly  
12 where [REDACTED] had described. The home is now for sale and is offered by Renaissance  
13 Reality, at 313-832-2286. Detective's did not locate an address on this home, but it is located one  
14 house west of 691 Canfield. [REDACTED] said that there is an attorney named Ken Davies that currently lives  
15 on Canfield, near "the Mansion" that has lived there since 1968 that would probably know all about Lou  
16 Fix and what went on at "The Mansion." Another name that [REDACTED] gave detectives that was  
17 associated with "The Mansion" was a John Lee or Leigh or possibly John Loy.

18 [REDACTED] told detectives about a guy named David LNU that owned a pet shop called "Birdtown" on Cass  
19 Ave. near Peterboro that was an active pedophile and had molested a kid from Cass Corridor named  
20 "Ricky" [REDACTED] said that this pet shop then became Lightning Shoes and then a bike shop.

21 I asked [REDACTED] about the name Ted Orr and showed him a know photo of Ted Lamborgine a.k.a. Ted  
22 Orr. John said that he recognized him and said that he really didn't know him very good, but that he  
23 knew that he hung out at a bar called "Shooters" in the Cass Corridor area.

24 I also showed him photographs of Richard Lawson and Bob Schuler. [REDACTED] said that Lawson looked  
25 very familiar and so did Bob Schuler, but that he did not really know them.

26 [REDACTED] then began to give detectives numerous names of people that lived or associated in the Cass  
27 Corridor, that he thought detectives might want to talk to about this case. The following are the names  
28 [REDACTED] gave:

29 Longhis (four brothers) LNU, Kenny Miller, Kenny Garrett, Fred from Fred's Key Shoppe, Duey Harris,  
30 Mark Blankey, Margaret Redmond-Squires, & George Ruppert.

31 [REDACTED] said that [REDACTED]  
32 [REDACTED] when asked said that  
33 he has never been in business with anyone named "Bob" or "Big Bob." [REDACTED] said that he does not  
34 remember any pool halls on Jefferson Ave in Detroit in the 70's. [REDACTED] was given my card and asked to  
35 call me if he thinks of anything that might assist detectives in this case.

36 1-3-06: Tonight I called Detective Scharschmidt at Parma Heights PD and asked them to remove the  
37 GPS from Ted Lamborgines vehicle for now. Steve agreed, stating that they were going to switch the  
38 battery tonight and they would retrieve the GPS and take it to their station.

39 1-4-06: [REDACTED] called me today and told me that he has more information for me, indicating  
40 that this is bringing a lot of memories back to the surface of his brain. [REDACTED] told me that he  
41 remembered the name of a 10-11 year old white male that disappeared in 1973 from the Cass corridor.  
42 [REDACTED] said that his last name was Bunch and that the Bunch family lived in a large apartment building at  
43 Cass Ave. & Canfield. [REDACTED] said that the boy was never found and that several youths disappeared  
44 during that time from Cass Corridor. [REDACTED] told me that George McMahon set up and ran a library out of  
45 the basement of that apartment building during that time.

46 1-4-06: I called [REDACTED] and asked him if he remembers George McMahon, Lou Fix, Chuck Fliger or  
47 anyone that drove a pick-up with a camper on the back in the 70's in Cass Corridor, possibly white or  
48 orange. [REDACTED] right away said that there was a guy that had an orange pickup with a white camper on it  
49 that was always parked at a business by the Masonic Temple and that this was close to where Chuck

1 Fliger and George McMahon had their construction business. [REDACTED] said that the guy that had this  
2 camper was also a pedophile and was associated with Chuck & George. [REDACTED] told me that he would  
3 call me later tonight with the name of the guy that owned this camper, indicating that he is still alive and  
4 lives in the Cass area. John went on to say that Chuck Fliger was thrown out of the Cobb's Corner bar  
5 several times for selling cocaine in the bar. [REDACTED] also told me today that George and Chuck associated  
6 with Lou Fix who filmed young kids at "The Mansion." I asked [REDACTED] if he remembered calling in a tip to  
7 the Oakland County Task Force back in the late 70's, to which he stated he did, but did not remember  
8 whom it was on.

9 1-4-06: I left a message on Pat Dorn's home phone, answering machine today to call me when he  
10 gets a chance, which I wanted to talk to him about what he and [REDACTED] talked about last night.

11 1-4-06: [REDACTED] called me this afternoon and told me that he remembered that he called the tip in on  
12 Frank Godek and that they called him "V.W. Frank" because he worked on Volkswagon cars. [REDACTED]  
13 said that Godek live in a house at Merrick & Commonwealth in Detroit. [REDACTED] said that he had been in  
14 jail with Godek after he was arrested for a felonious assault. [REDACTED] said that Godek was selling  
15 marijuana out of his house to the young boys.

16 1-4-06: I contacted John Oulette today from the FBI and relayed all this information from the [REDACTED]  
17 interviews over the past two days. John was going to compare these names to their  
18 records. John advised that his office could possibly supply the \$2,000.00 that John believed was  
19 possibly "hush money" that George McMahon needed. I asked [REDACTED] about giving this  
20 money supplied by us to George, to which he stated he would. The FBI would follow the money and  
21 attempt to see whom George paid.

22 1-4-06: I talked to Garry Gary today and he is going to contact the Michigan State Police Polygraph  
23 Examiner Lt. Robert Dykstra about setting up a polygraph exam for George McMahon.

24 1-5-06: Garry Gray called me back today and gave me good polygraph results from Lt. Dykstra.  
25 January 18<sup>th</sup>, 19<sup>th</sup> & 20<sup>th</sup>. I called George McMahon at home and left a message to call me about setting  
26 up a good day with him to take the polygraph.

28 Cass Corridor that owned the camper on the orange pickup truck.

29 1-5-06: We never received the phone tolls for Ted Lamborgine's phone. I sent a search warrant and  
30 request to Ameritech records back on 10-21-05 and only received the subscriber information back.  
31 Today I sent a second request to Ameritech.

32 1-5-06: Detective Scharschmidt from Parma Heights PD called me back today and said that he was  
33 going to be retrieving the GPS off Lamborgine's truck tonight.

34 1-5-06: I called [REDACTED] today and ask him if he knew a guy named Frank Horner. George  
35 McMahon told detectives during an earlier interview that Frank Horner bought the apartment house  
36 from Bob Moore that was on Henry St. west of Cass Ave. This is the large apartment house that Moore  
37 owned that was one of the places in the Cass Corridor referred to as "The Mansion." I noticed in  
38 George McMahon's drivers license photograph that he is possibly wearing a police or security guard  
39 type jacket. I asked [REDACTED] if George McMahon was ever or is now a security guard as a side  
40 job, to which he stated he didn't think so. [REDACTED] told me that George and a couple other guys in  
41 the Cass Corridor ran the C.Y.A. (Catholic Youth Association) and that the kids all wore a police type  
42 uniform with a badge on their shirts. I asked [REDACTED] if the adult leaders wore this type or any type  
43 of uniform, to which he stated he didn't think so, but he wasn't positive. [REDACTED] told me that he  
44 thought one of the other C.Y.A. leaders was Bob Slatery. [REDACTED] went on to say that there was a guy in  
45 the neighborhood named Doug Holiday that would write grants for Pastor Redmond and for George  
46 McMahon to enable them to run the youth programs in the Corridor.

48 include calls from 7-1-05 through 10-19-05. I began to highlight any local Detroit numbers, either  
49 incoming or outgoing. All the 313 area code phone numbers on the list are Ted's mother's number.
